1970s and '80s Were a Period of Change in American Society

For many in the 1980s, society's hero was the person who helped himself. Success seemed to be measured only by how much money a person made. The period of change came during the 1970s. For a while, these years remained tied to the social experiments and struggles of the 1960s. Then they showed signs of what American would be like in the 1980s. There were a number of reasons for the change.
